DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: The cited prior art fails to disclose, teach or suggest, at least on claim 1, an image display apparatus including *"wherein said transport structure changes an arrangement direction of said storage medium such that the arrangement direction of said storage medium supported within said casing and the arrangement direction of said storage medium projected from said casing are different"*. At least on claim 3, an image display apparatus including *"wherein said moving structure can relatively move a peripheral device placed at a position where the peripheral device interferes with said storage medium when said storage medium is projected from said casing to a position where the peripheral device does not interfere when the storage medium is projected"*. And at least on claim 7, an image display apparatus including *"a transport structure that supports said storage medium substantially in parallel with a panel face of said image display panel within said casing and at a position where said storage medium is not superimposed on said image display panel, and projects said storage medium from said casing"*.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
